**QUALIFYING:** Single Car Time Trials

Check in at the Pit Office upon your arrival to register car and transponder number. Pill pick for time trial order. Weight and ride height will be checked prior to time trials and the feature. Car must be on the grid in time trial order by 5:40 pm (or other time posted by the Pit Steward) or lose one lap. There will be a revenge draw to determine feature lineup. The top 8 in timing will participate in the revenge draw behind the flag stand at Intermission.

ONLY 24 CARS WILL START THE FEATURE. If more than 24 cars enter the race, we will run a Consi after all other divisions have qualified. Details will be determined by car count on Race Day.

**FEATURE:** Caution laps count 1 – 60 / Green Flag laps 61 – 100

You will not lose laps in the pits under caution during the entire race. Double file the entire race, unless officials deem single file due to length/safety. "Lucky Dog" in effect. The car on the pole chooses inside or outside lane on the restarts.

**JUMP RULE:** If a car jumps the start before the lead car starts the race, the restart will be called back. The "jumper" gets one free. The second jump of a race by any competitor will be called back and the "jumper" will restart in the rear.

The feature will have a time limit due to the extreme July heat (at official's discretion.)

**TIRES: Tires will be available for purchase in the pit area at Wall Stadium Speedway Friday, July 22 from 4:00 – 6:00 pm.**

Wall Modifieds may buy a maximum of 8 tires; 4 tires for practice (not required) and MUST BUY 4 tires for Time Trials and Feature. This race does not require a tire change.

*Note:* These tires are not in your normal tire bank. Tires will be marked at the scales. All cars will start the feature on Time Trial tires.

THE USE OF ANY KIND OF SOFTENING AGENT IS NOT PERMITTED! ANY CHEMICALS DETECTED WILL EARN THE CAR AND DRIVER AN IMMEDIATE DQ. Flat tires or severely damaged wheels must be declared flat or unsafe by the officials.

A ONE LAP PENALTY, PER TIRE, WILL BE GIVEN FOR ANY UNAPPROVED TIRE CHANGE.

**The Winner may celebrate with a Burnout. It must be between Turns 1 & 2 for the safety of our Track Crew and Photographers.**

PAYOUTS WILL BE PAID IN CASH AT THE TICKET BOOTH AFTER TECH CLEARS.

**FOR VISITORS:** 4 tires may be purchased the day of the race to be used for practice. These will become your spare or “scuff” tires for the race. An additional 4 tires can be purchased for the feature.

\*The minimum age to enter the pit area is 16 years old under NJ state law. The track requires a copy of the birth certificate and Minor Release filled out by parent. You must follow New Jersey Safety rules which can be found at [wallspeedwayracing.com](http://wallspeedwayracing.com)
